09 HALLS ACCESS

Your registration QRcode is mandatory to access the conference halls, access the lunch area and social events

10 AUDIOVISUAL INSTRUCTIONS

- Please make sure to deliver your presentation in the speaker service center located at the same hall where your presentation is , 1 hour before your presentation time
- Please make sure that any video included in your presentation to be with extension (.mov) HD 1080p if any
- Only power point presentations will be supported
- Speakers service center will be located in the scientific hall mentioned in your personal program
- Hall Management team will guide you once you arrive to the meeting room
- Please make sure to revise your presentation and make sure that the videos and animations are working (if any)
- Please stick to the time limit as a countdown timer will be displayed on the screen, which will lock the presentation automatically once the time is finished.
- Moderator/Panelist will be responsible for managing the session timing and to keep track of time, While audience participation is a main goal, it is also important not to allow questions to veer off topic.
- No one is allowed to use his/ her own laptop
